

## ABOUT US

Since starting in 1982, Everest has been the everyday bag company for people in all walks of life. We provide reliable products for people around the world to take things with them in their daily journeys and adventures.

Our mission is to design, manufacture and provide functional, high-quality products to fit the various needs of all people. Our product line includes many styles; everything from backpacks to messenger bags, tote bags to duffels, multipurpose packs to travel gear and everything in between. We strive to bring the latest trends and features into every bag, making it as functional as it is stylish and hip.

Named after the highest and most respected peak in the world, Everest, from its humble beginnings has since been climbing to become the ultimate gear brand possible. Continuing the ascent, we are constantly innovating and developing our products so that it's easier to pack your gear. Whether it's for school or a hike, let Everest help take things with you.

Simple as that **WARRANTY FOR END USERS** (US only)

We at Everest work hard to produce a high quality product free of defects. But in the event an issue does arise we have a lifetime warranty on all Everest products. That means every Everest product is warranted to be free from defects in materials and workmanship for the life of the product (excludes wheel bags, which are warranted for a period of 60 days from the original purchase date). Our warranty is effective as long as the product is used for its intended purpose under normal conditions and does not apply to damage caused by typical wear and tear, unreasonable use or neglect. For more information on our warranty for end users, please visit [www.everestbag.com/warranty](http://www.everestbag.com/warranty).

## CUSTOM OEM ORDERS

Our OEM program was developed as a marketing tool for our dealer network and corporate customers. All our custom OEM bags are made to the same exact standards as our regular Everest product line. For more information on this program, please contact our customer care team.
